1. Click **Account**

2. Click **Identification**

3. Select either **Biometric** or **Manual** and follow the prompts.

   * **Biometric** verification is the quickest way to complete your ID. Simply take a photo of your photo identification (e.g. Drivers license or passport) and then take a photo of yourself. Once complete email a copy of your photo identification to KJC at compliance@kjc.com.au along with a completed copy of this form.    * **Manual** verification can be completed online by entering the details for your primary piece of photo identification (must include current address e.g. Drivers license) as well as the details of your secondary piece of identification such as your Medicare card or Passport. Please note that for all manual verifications you will be required to complete a short KJC Compliance video call either via Facetime or Zoom.

Examples of identification documents required:
